FIRST RESPONDER HEALTH & WELLNESS SYMPOSIUM

Wednesday, June 13, 7:30 am – 4:30 pm

Mandalay Bay Convention Center, Las Vegas, NV

Special rate \$95, For group rate, call 800-344-3555

NFPA Conference & Expo® will host a special 1-day symposium for first responders. This program is designed specifically for first responders with sessions focused on health issues and emerging technologies. Learn from expert speakers about the latest work being done for first responder wellness, and network with professionals in your field.

This year's presentations include:

- Latest status on Responder Wellness Activities presented by Pat Morrison-IAFF
- Firefighter Behavioral Health presented by Jordon Petersen, PhD-Murray City Fire Department, Utah
- Peer Support Team/Route 91 Shooting presented by Angela Leath-the Critical Incident Stress Administrator with the Las Vegas Fire & Rescue, Eric Littman-Las Vegas FF Local 1285 President
- Lunch featuring healthy meal choices with commentary by Chef
- Building the Tactical Athlete presented by Eamonn Burke-O2X
- Wildfire Impact on Responder Wellness presented by Megan Fitzgerald-McGowan-NFPA
- Responder Wellness and Cultural Change presented by George Morgan-National Fire Academy

Program highlights:

- Option to attend the General Session on June 11
- Invitation to the Opening Night Expo Reception on June 11
- Full 3-day access to the exhibit hall with 350+ industry suppliers
- Opportunity to attend the Exhibitor Presentation Theater
