

Nevada State Fire Marshal and State Emergency Response Commission Termination of Hazardous Materials Storage

107 Jacobsen Way, Carson City, Nevada 89711 – Phone: (775) 684-7524 – Fax: (775) 684-7518

NAC 477.323 requires the holder or applicant of a Hazardous Materials Storage Permit that intends to terminate the storage, dispensing, handling or use of hazardous materials at a facility, to submit a plan to the State Fire Marshal outlining the proposed termination of such activities at least 30 days before the date on which the facility is to be closed. The plan must demonstrate that the required quantities of materials have been or will be transported, disposed of or removed in a manner that presents no hazardous conditions to any person or property.

NRS 477.250 Any person who knowingly violates the provisions of this chapter or any of the regulations adopted by the State Fire Marshal is guilty of a misdemeanor. Each day on which a violation occurs is a separate offense.
