Background: The Nevada Threat Analysis Center (NTAC) is the Nevada State Fusion Center. The NTAC is part of the national intelligence community and performs many functions within the information sharing environment including counter terrorism operations and the prevention/detection of criminal activity. The NTAC is proud to provide and sponsor highly professional training and outreach. The staff and instructors are confident that you will receive the best straight-forward, factual and real-world training that is available. We thank you for your interest in NTAC and for you being willing to be involved in our training and outreach. Upon successful completion of training, FLOs will function as the eyes and ears of the NTAC Fusion Center and will in turn report suspicious activity to our center for appropriate follow-up/and or analysis and dissemination when deemed appropriate.

Focus Audience: Security personnel, fire, dispatchers, law enforcement and other public/private employees, CERT, and other volunteers

About the Class: The FLO course, sponsored by NTAC, the Department of Public Safety and the Regional Public Safety Training Center (RPSTC) provides the necessary tools to proactively develop, collect, retrieve, and disseminate information and intelligence pertaining to terrorism and multi-jurisdictional crime related issues, in an effort to identify terrorists or suspects engaged in ongoing criminal activities.

The course of instruction for the FLO Basic is as follows:

1. The FLO/TLO Program: Duties and Responsibilities of FLOs and Information Sharing
2. Domestic Terrorism (including Sovereigns and Anti-Government)
3. Islamic Culture, International Terrorism and the Growth of Islamic Extremism
4. The Role of the U.S. Attorney's Office in Terrorism and National Security Matters
5. Fusion Center 101
6. Information Gathering, Sharing, and Reporting/ Suspicious Activity Reports (SARs)
7. Infrastructure Protection and Warning Signs of Terrorism
8. The Terrorist Screening Center/ examples of SARs
