Nevada Revised Statutes (477.030) License Requirements; application; fee; hearing.

1. A license, issued by the State Fire Marshal, is required for
 - (a) Maintenance, installation or sale of fire extinguishers, fire alarm systems or fire sprinkler systems.
 - (b) Use of explosives in a commercial construction, but not in mining or the control of avalanches.
 - (c) Commercial fireworks displays.
2. Applications for licenses must be made on a form prescribed by the State Fire Marshal.
3. The State Fire Marshal may conduct inspections, examinations or hearings before the issuance of licenses.
4. The State Fire Marshal may charge a reasonable fee, to be fixed by regulations, for the inspection and issuance of licenses.
5. If any person is denied a license by the State Fire Marshal, he is entitled to a hearing, upon request, before a hearing officer.

Nevada Administrative Code (NAC 477.323) (1). A person shall not store a hazardous material in excess of the amount set forth in the International Fire Code, as adopted pursuant to NAC 477.281, unless he has been issued a operational permit by the State Fire Marshal to store that amount. A permit must be renewed annually. \$500.00

Nevada Revised Statutes (477.250): Any person knowingly violates the provisions of this chapter or any of the regulations adopted by the State Fire Marshal's office is guilty of a MISDEMEANOR.

Each day on which a violation occurs is a separate offense. \$500.00

NRS 176.059 Administrative assessment for misdemeanor: Collection; distribution; limitations on use.
