**PROPOSED REGULATION OF THE
STATE BOARD OF FIRE SERVICES**

LCB File No. R124-13

NOTICE OF INTENT TO ACT UPON A REGULATION

**Notice of Public Workshop/Hearing to
Solicit Comments on Proposed Regulations**

The State Board of Fire Services, located at 107 Jacobsen Way, Carson City, NV 89711, (775) 684-7501, is proposing the adoption and amendment of regulations pertaining to chapter 477 of Nevada Administrative Code. A workshop has been set for 12:00 pm to 5:00 pm on June 3, 2014 at the State Public Works offices, located at 515 E Musser Street, Suite 102, Carson City, Nevada with video-conferencing to the State Public Works offices located at 1830 East Sahara, Suite 204, Las Vegas, Nevada.

The purpose of the workshop is to solicit comments from interested persons on the following general topic that may be addressed in the proposed regulation:

R124-13 A regulation relating to the conduct of administrative hearings by the State Fire Marshal Division of the Department of Public Safety and appeals therefrom in accordance with the passage of SB 439 of the 2011 general session; establishing procedures for the issuance of administrative citations and orders for administrative fines and corrective action in accordance with the passage of AB 424 of the 2013 general session; establishing procedures for requesting declaratory orders and advisory opinions from the State Fire Marshal Division; revising provisions relating to grounds for disciplinary action by the State Fire Marshal and the State Board of Fire Services; revising procedures relating to investigations and hearing thereon conducted by the State Fire Marshal and investigators of the State Fire Marshal Division; providing for the imposition of administrative fines in accordance with AB 424 of the 2013 general session; and providing other matters properly relating thereto.

A copy of all materials relating to the proposal may be obtained at the workshop, downloaded from the State Fire Marshal's website at <http://fire.nv.gov>, or by contacting the Nevada State Fire Marshal Division at 107 Jacobsen Way, Carson City, NV 89711, (775) 684-7501. A reasonable fee for copying may be charged.

Pursuant to NRS 233B.0609(1), the State Board of Fire Services is required to make a determination whether its proposed regulations will: (a) impose a direct and significant economic burden upon small business, and (b) directly restrict the formation, operation, or expansion of small business. NRS 233B.0382 defines a small business to be any business that employs 150 or fewer employees.

The staff has considered the two factors in NRS 233B.0608(1) and has determined that a Small Business Impact Statement is not required pursuant to NRS 233B.0609 based upon the following:

1. The State Board of Fire Services was statutorily directed by AB 424 in the 2013 general session to create regulations regarding administrative citations and fines.
2. The State Board of Fire Services was statutorily directed by NRS 477.080(6) (SB 439 of the 2011 general session) to hear appeals of orders, decisions, or determinations of the State Fire Marshal.
3. No fees are created, increased or decreased by these regulations.

Therefore, the staff makes the following findings:

1. The proposed regulation will not impose a direct and significant economic burden upon small business and will not directly restrict the formation, operation, or expansion of small business.
2. As a result of finding #1, the Nevada State Board of Fire Services will not issue a Small Business Impact Statement regarding the regulation pursuant to NRS 233B.0608.

This Notice of Workshop to Solicit Comments on Proposed Regulation has been sent to all persons on the agency's mailing list for administrative regulations and posted at the following locations:

PROPOSED REGULATION OF THE STATE BOARD OF FIRE SERVICES

LCB File No. R124-13

Small Business Impact Statement

Pursuant to NRS 233B.0609(1), the State Board of Fire Services is required to make a determination whether its proposed regulations will: (a) impose a direct and significant economic burden upon small business, and (b) directly restrict the formation, operation, or expansion of small business. NRS 233B.0382 defines a small business to be any business that employs 150 or fewer employees.

The staff has considered the two factors in NRS 233B.0608(1) and has determined that a Small Business Impact Statement is not required pursuant to NRS 233B.0609 based upon the following:

1. The State Board of Fire Services was statutorily directed by AB 424 in the 2013 general session to create regulations regarding administrative citations and fines.
2. The State Board of Fire Services was statutorily directed by NRS 477.080(6) (SB 439 of the 2011 general session) to hear appeals of orders, decisions, or determinations of the State Fire Marshal.
3. No fees are created, increased or decreased by these regulations.

Therefore, the staff makes the following findings:

1. The proposed regulation will not impose a direct and significant economic burden upon small business and will not directly restrict the formation, operation, or expansion of small business.
2. As a result of finding #1, the Nevada State Board of Fire Services will not issue a Small Business Impact Statement regarding the regulation pursuant to NRS 233B.0608.

2. Except for good cause, the request for a postponement of the hearing must:

(a) Be in writing;

(c) Be received by the hearing officer no later than 5 days before the scheduled hearing.

Sec. 13. 1. Where the State Fire Marshal has served the petitioner with a notice of the time and place of the hearing and neither the petitioner nor the petitioner's attorney appears and that failure to attend is without good cause, the failure to attend constitutes a default.

2. A default taken pursuant to subsection 1 will have the effect of a finding of guilt and result in the imposition of administrative penalties as determined by the State Fire Marshal or the hearing officer.

3. The State Fire Marshal or the hearing officer may conduct a hearing in the absence of the petitioner at the time a default is taken to establish findings of fact or for other purposes, including, without limitation, to assess appropriate penalties, punitive action and other administrative actions.

4. If the failure to appear was for good cause, the party may, within a reasonable period, make a new request for a hearing. The State Fire Marshal or the hearing officer will determine whether the failure to appear was for good cause and, if so, grant a new hearing.

Sec. 14. 1. A prehearing conference may be held, upon the motion of the hearing officer or upon the motion of any party, to formulate or simplify the issues, obtain admissions of fact and of documents which will avoid unnecessary proof, arrange for the exchange of proposed exhibits or prepared expert testimony, limit the number of witnesses, and consider any other matters which may expedite orderly conduct and disposition of the proceedings or a settlement of the matter.

2. Notice of the prehearing conference will be served on each party at least 7 days before the date set for the conference.

3. The action taken at the conference and the agreements made there by the parties will be made a part of the record and must be approved by the parties. When approved, the action

controls the course of subsequent proceedings, unless otherwise stipulated by each party with the consent of the hearing officer.

Sec. 15. Every hearing will be conducted before a hearing officer and the oral proceedings recorded by equipment for recording sound. The record will be retained for a period of 90 days after the date of the decision. A certified copy of the taped record will be made available to a party upon written request to the State Fire Marshal. The requesting party shall pay the cost of producing the copy.

Sec. 16. If any person behaves in such a manner as to interfere with the orderly conduct of the hearing, the hearing officer will warn the person to cease the improper behavior. The warning will be part of the record. If the improper behavior continues or resumes, the hearing officer will exclude that person from the hearing.

Sec. 17. Notwithstanding any specific statute to the contrary, with regard to any hearing required to be conducted by the Division pursuant to this chapter:

1. The testimony of any party or witness may be taken by telephone, videoconference or other electronic means; and

2. The hearing may be conducted at any location so long as the hearing officer allows each party and witness to testify by telephone, videoconference or other electronic means.

Sec. 18. 1. In all hearings, unless otherwise ordered by the hearing officer, the Division will present its evidence first and has the right of rebuttal.

2. When objection is made to the admissibility of evidence, the evidence will be received subject to a ruling by the hearing officer.

3. The affidavit of any person may be admitted into evidence. All parties have the right to present evidence to rebut the contents of any affidavit.

4. *Witnesses may be questioned by the hearing officer. The hearing may be recessed by the hearing officer when necessary.*

5. *The hearing officer will adjourn the hearing for the submittal of further evidence or to hear further testimony when justice would not be served otherwise, and will adjourn the hearing at the request of any party for good cause shown, but for not more than 30 days after the date scheduled for the first hearing, except for cause.*

Sec. 19. 1. *Any witness appearing on behalf of the Division or testifying on behalf of the Division, except a party or an officer or employee of the State testifying during his or her regular hours for work, is entitled to receive the same fees and expenses as are provided for witnesses in NRS 50.225.*

2. *A party other than the Division requesting the appearance of a witness shall pay the fees and expenses of the witness as are provided for witnesses in NRS 50.225.*

Sec. 20. *The State Fire Marshal may consolidate two or more proceedings in one hearing when it appears that the issues are substantially the same and the rights of the parties will not be prejudiced by the consolidation.*

Sec. 21. 1. *Briefs which have been ordered by the hearing officer must be filed within the time allowed by the hearing officer and must be accompanied by an acknowledgment or affidavit showing service of the brief on the other parties.*

2. *Oral argument may be allowed in support of written briefs or presentation of the case.*

Sec. 22. 1. *If a petition for judicial review of the decision has not been filed, upon written application by a party within 20 days after service of a copy of the decision, a rehearing may be ordered upon such terms and conditions as the hearing officer considers just and proper. The application will not be granted except upon a showing that:*

(a) A party was not properly served with a notice to appear; or

(b) There is additional evidence which is material and good cause existed for the failure to present that evidence at the hearing.

2. The application must be supported by an affidavit of the party or his or her counsel showing cause for failing to appear or failing to present the evidence at the hearing.

Sec. 23. A written administrative citation issued pursuant to NRS 477.240 may be served by personal service on the person named in the administrative citation, or a designated representative thereof, or by certified mail to the address of record of the person and must include, to the extent applicable:

Sec. 24. *A written administrative citation issued pursuant to NRS 477.240 may be withdrawn:*

- 1. The willingness of the owner of the affected property to allow such corrective action; and*
- 2. A determination by the State Fire Marshal or his or her designee that the licensee is able to perform the corrective action.*

Sec. 27. In determining the time permitted for compliance with an order for corrective action, as required to be stated in a written citation pursuant to NRS 477.240, the State Fire Marshal or the Board will determine the time for compliance with the order by considering, without limitation:

Sec. 29. *If a licensee who is issued an administrative citation pursuant to NRS 477.240 which includes an order for corrective action hires and pays another licensee to perform the corrective action, the cited licensee is responsible for any failure of the hired licensee to comply with the order for corrective action included in the citation.*

Sec. 30. *Any person who has reason to believe that an action by the Division or one or more staff members has been incorrect, or based on inadequate knowledge, may seek relief by the following procedures:*

2. *If this discussion does not resolve the problem, an informal conference may be requested by letter to the Chief of the Division. The conference must be held at a place and time mutually agreed upon. The Chief of the Division and the chief of another bureau, to be designated by the State Fire Marshal, will be present. A written summary of the conference*
