

Kacey KC

**State Forester/Firewarden
Nevada Division of Forestry**

Term: Statutory

Category: State Forester/Firewarden

Kacey KC was appointed State Forester/Firewarden in 2018. After obtaining a degree in Forestry- Resource conservation from the University of Montana, she became a Peace Corps volunteer, spending two years doing community forestry work in Nepal. Kacey started her career with NDF in 2002 as a seasonal for the nursery and seedbank program then moved to the fire program as an administrative assistant and then the resource program as the Staff Specialist for Community Protection. She spent more than ten years working collaboratively with state, local and federal partners in the fuel reduction program before moving into the Sagebrush Ecosystem Program. There she worked with partners, landowners and other industry to find a collaborative and sustainable approach to sagebrush ecosystem management in Nevada. Kacey went back to Forestry in 2015 as the Deputy Administrator of Operations, managing the natural resource, wildland fire, aviation and conservation camp programs.
