WHEREAS, the State of Nevada is committed to ensuring the safety and security of all those living in and visiting the Silver State; and

WHEREAS, all Nevadans are encouraged to create a map of their home, marking two exits from each room and a path to a safe location from each exit; and

WHEREAS, home fire drills should be practiced twice a year, both during the day and at night, to allow everyone to practice using different pre-designated exits; and

WHEREAS, children should be taught how to escape on their own, in case an adult cannot assist them; and

WHEREAS, home addresses should be clearly marked and easy for the fire department to find; and
