

Firefighter 1 Transition Training (F1TT)

The State Fire Marshal Division offers a Firefighter 1 Transition program (FF1TT) that is available to any fire service agency, emergency response agency or a governmental agency within the State of Nevada.

Upon the successful completion the Exterior Support Firefighter program a person can participate in required live fire evolutions completed during the FF1TT program.

The FF1TT program is based on the National Fire Protection Agency National Fire Protection Association (NFPA) 1001, Standard for Fire Fighter Professional Qualifications, 2019 edition and designed for candidates to meet the minimum job performance requirements for Fire Fighter I as related to the following subjects;

(1) Introduction to the Fire Service and Firefighter Safety	Ch. 1
(2) Communications	Ch. 2
(3) Ropes, Webbing, and Knots	Ch. 7
(4) Structural Search and Rescue	Ch. 10
(5) Fire Suppression	Ch. 14

The FF1TT program utilizes nationally recognized curriculums such as the IFSTA Essentials of Firefighting, 7th Edition.

The course is a hybrid classroom where students and instructors interact through an online learning environment and a combination of face-to-face instruction and testing. Online learning environments shall be completed through approved online curriculums. Face-to-face sessions can be extended over a set time period. It is recommended that there is a minimum of 24 hours face-to-face instruction covering the skills development and skills evaluation during the course.

It is recommended to use ResourceOne available at no cost or agencies can use approved online learning environment accounts. Agencies are responsible for purchasing manuals for their candidates.

The course prerequisites are,

- 1) EMS Training
 - a. First Aid including: shock management, infection control, and bleeding control.
 - b. CPR class which meets the current Nevada State EMS requirements for EMT-Basics, including the use of an Automated External Defibrillators (AED).
- 2) Wildland Training
 - a. Course that meets the requirements of the NWCG Wildland Firefighter Type-2
- 3) Nevada Hazardous Materials Operations certification.
- 4) Shall meet all requirements listed in the Certification Requirements section 17.1.1 of the Nevada Fire Service Professional Qualifications Manual.
